GOVERNOR AND LT. GOVERNOR RECOGNIZE
TITAN SCAN WORKERS FOR EXCEPTIONAL JOB ON
MAIL IRRADIATION PROJECT

(LIMA, OH) – Ohio Governor Bob Taft and Lt. Governor Maureen O’Connor recently presented Titan Scan Technologies, Incorporated and their Lima employees with an Award of Commendation for their exceptional work and professionalism in the irradiation of anthrax tainted mail from Washington, D.C.

Governor Taft referenced the company’s efforts during his regional cabinet meeting here on Wednesday and O’Connor, along with Ohio EMA Director Dale Shipley, presented company officials with the award at the ir 4th Street facility.

Special Commendations were also issued several individuals and organizations that assisted in effectively responding to the U. S. Postal Service project that began here last October and wrapped up in April of this year. Those recognized included: Sheriff Dan Beck, Sheriff’s Captain Steve Hoverman, Mayor David Berger, county EMA director Russ Decker, Allen County Commissioners, Allen County Health Department, Lima Police Department, Lima Fire Department, and the Allen County EMA Response Team.
