COUNTY EMA TO STAFF WEATHER CENTER AT FAIR

(LIMA, OH) – The Allen County Emergency Management Agency will once again operate and staff a mobile “Weather Center” at the Allen County Fair, August 16-24. The “Weather Center” will be open daily from 2:00 p.m. – 10:00 p.m. and will feature current meteorological conditions for the fairgrounds, live Doppler weather radar courtesy of the National Weather Service, and current forecast information.

“We encourage the public to stop by and visit the Weather Center,” said county EMA director Russ Decker. “We’ll have free heat index and wind-chill charts for everyone, plus fairgoers will be eligible to register to win free weather alert radios to given away daily.”

The EMA Weather Center will be located inside the main entrance on the northeast corner of the Youth Activities Building.
