(LIMA, OH) – The Allen County Office of Homeland Security & Emergency Management will once again operate and staff the “Weather Center” at the Allen County Fair, August 20 – 28.

The “Weather Center” will be open daily from 1:00 p.m. – 9:00 p.m. and will feature current meteorological conditions for the fairgrounds, live Doppler weather radar courtesy of the National Weather Service, and current forecast information.

“We encourage the public to stop by and visit the Weather Center,” said county homeland security director, Russ Decker. “We’ll have free heat index and wind-chill charts for everyone, plus fairgoers will be eligible to register to win free prizes donated by the National Weather Service.”
